## Choraegus ShareMusic Rehearsal Notes

### **General**

Pay attention to the 3-2-3 rhythms in the "ARTEMIS" sections (measures 16-20, 39-43).

### **Choir**

Sing the bridge (measures 30-35) more legato than the rest of the song for contrast.

Work out the extended syncopations in measures 14, 16, 37, and 39) slowly at first, then up to tempo.

### **Accompanist**

The accompaniment reinforces the rhythmic pulse of the song, so please do your best to guarantee that everyone is together!
