Choraegus ShareMusic Rehearsal Notes

General

Try having the congregation sing with the chorus!

Choir

Pay special attention to the sixteenth note rhythms in the chorus (m. 11, 12, 15, et al.). They should read naturally with the lyrics, but it won't hurt to make sure that everyone's singing the same rhythm.

Accompanist

Consider adding guitar, bass, and drums!

Got any other suggestions for rehearsal notes? Send them to Choraegus ShareMusic, P.O. Box 4444, Mountain View, CA 94040 USA or e-mail them to larry@choraegus.com .
